LIST OF CONTENTS

VOLUME 239

Page

ALCOCK, J., The relation between male body size, fighting, and mating success in Dawson's burrowing bee, *Amegilla dawsoni* (Apidae, Apinae, Anthophorini) 663

ARNOULD, J. P. Y., BOYD, I. L. and SPEAKMAN, J. R., The relationship between foraging behaviour and energy expenditure in Antarctic fur seals 769

ASHFORD, R. W., LAWSON, H., BUTYNSKI, T. M. and REID, G. D. F., Patterns of intestinal parasitism in the mountain gorilla *Gorilla gorilla* in the Bwindi-Impenetrable Forest, Uganda 507

ATKINSON, S. N., STIRLING, I. and RAMSAY, M. A., Growth in early life and relative body size among adult polar bears (*Ursus maritimus*) 225

BANDOUK, A. C., DOS REIS, S. F. and BORDIN, B., Cranial differentiation and evolution in *Thrichomys apereoides* (Rodentia: Echimyidae) 65

BEJA, P. R., Temporal and spatial patterns of rest-site use by four female otters *Lutra lutra* along the south-west coast of Portugal 741

BENNETT, N. C., COTTERILL, F. P. D. and SPINKS, A. C., Thermoregulation in two populations of the Matabeleland mole-rat (*Cryptomys hottentotus nimrodi*) and remarks on the general thermoregulatory trends within the genus *Cryptomys* (Rodentia: Bathyergidae) 17

BERCOVITCH, F. B., Testicular function and scrotal coloration in patas monkeys . . 93

BISHOP, C. M., BUTLER, P. J., EL HAJ, A. J., EGGINTON, S. and LOONEN, M. J. J. E., The morphological development of the locomotor and cardiac muscles of the migratory barnacle goose (*Branta leucopsis*) 1

BLOCH, D., DESPORTES, G., ZACHARIASSEN, M. and CHRISTENSEN, I., The northern bottlenose whale in the Faroe Islands, 1584—1993 123

BONSER, R. H. C., The mechanical properties of feather keratin 477

CANNON, M. S., DAVIS, R. W. and WELDON, P. J., Dorsal glands of *Alligator mississippiensis*: a histological and histochemical study 625

CASSINELLO, J. and ALADOS, C. L., Female reproductive success in captive *Ammotragus lervia* (Bovidae, Artiodactyla). Study of its components and effects of hierarchy and inbreeding 141

CHANCE, M. R. A., Reason for externalization of the testis of mammals 691

CUMMING, M. S., Behavioural and ecological aspects of nuptial flights of the termitophilous phorids *Termitophilomyia zimbraunsi* and *Mesopathusa modesta* (Diptera: Phoridae) in Zimbabwe 675

DÍAZ-PANIAGUA, C., MATEO, J. A. and ANDREU, A. C., Age and size structure of populations of small marbled newts (*Triturus marmoratus pygmaeus*) from Doñana National Park (SW Spain). A case of dwarfism among dwarfs 83

DOOLAN, S. P. and Macdonald, D. W., Diet and foraging behaviour of group-living meerkats, *Suricata suricatta*, in the southern Kalahari 697

FERNANDEZ, F. A. S., EVANS, P. R. and DUNSTONE, N., Population dynamics of the wood mouse *Apodemus sylvaticus* (Rodentia: Muridae) in a Sitka spruce successional mosaic 717

GEISER, F., COBURN, D. K., KÖRTNER, G. and LAW, B. S., Thermoregulation, energy metabolism, and torpor in blossom-bats, *Syconycteris australis* (Megachiroptera) 583

GNASPINI, P., Population ecology of *Goniosoma spelaeum*, a cavernicolous harvestman from south-eastern Brazil (Arachnida: Opiliones: Gonyleptidae) 417

GORMAN, M. L. (Ed.), Communications from the Mammal Society–No. 72 379

The effects of experimental removal of male wood mice (*Apodemus sylvaticus*) on both male and female numbers, by W. L. Wilson, W. I. Montgomery and R. W. Elwood, p. 379; An expandable, detachable radio-collar for juvenile red foxes (*Vulpes vulpes*), by C. P. J. Robertson and S. Harris, p. 382; Leucistic hedgehogs on the island of Alderney, by P. A. Morris and A. Tutt, p. 387; A relationship between echolocation calls and noseleaf widths in bats of the genera *Rhinolophus* and *Hipposideros*, by M. F. Robinson; Evidence of venom in the Canarian shrew (*Crocidura canariensis*): immobilizing effects on the Atlantic lizard (*Gallotia atlantica*), by L. F. Lopez-Jurado and J. A. Mateo, p. 394; Interspecific agonistic behaviour in small mammals in a Mexican high-elevational grassland, by J. E. Fa, V. Sanchez-Cordero and A. Mendez, p. 396; Inaccuracy of a radio-tracking system for small mammals: the effect of electromagnetic interference, by N. Parker, A. Pascoe, H. Moller and R. Maloney, p. 401; Day-time transect counts to measure relative abundance of rabbits (*Oryctolagus cuniculus*), by H. Moller, K. Newton and B. McKinlay, p. 406; Suckling behaviour in the brown long-eared bat (*Plecotus auritus*), by J. A. McLean and J. R. Speakman, p. 411

GREEN, J., Associations of testate rhizopods (Protozoa) in the plankton of a Malaysian estuary and two nearby ponds 485

HEWISON, A. J. M., VINCENT, J. P., BIDEAU, E., ANGIBAULT, J. M. and PUTMAN, R. J., Variation in cohort mandible size as an index of roe deer (*Capreolus capreolus*) densities and population trends 573

HOHN, A. A., READ, A. J., FERNÁNDEZ, S., VIDAL, O. and FINDLEY, L. T., Life history of the vaquita, *Phocoena sinus* (Phocoenidae, Cetacea) 235

HOLDAWAY, R. N. and WORTHY, T. H., Diet and biology of the laughing owl *Sceloglaux albifacies* (Aves: Strigidae) on Takaka Hill, Nelson, New Zealand 545

IORDANSKY, N. N., The temporal ligaments and their bearing on cranial kinesis in lizards 167

JOHNSTON, G., Genetic and seasonal variation in body colour of the Australian death adder, *Acanthophis antarcticus* (Squamata: Elapidae) 187

JONG-CHANG TSAI, Cell renewal in the epidermis of the loach *Misgurnus anguillicaudatus* (Cypriniformes) 591

KRUSKA, D., The effect of domestication on brain size and composition in the mink (*Mustela vison*) 645

LUISELLI, L., Individual success in mating balls of the grass snake, *Natrix natrix*: size is important 731

MACDONALD, D. W., Social behaviour of captive bush dogs (*Speothos venaticus*) . . 525

MACDONALD, D. W. and COURTENAY, O., Enduring social relationships in a population of crab-eating zorros, *Cerdocyon thous*, in Amazonian Brazil (Carnivora, Canidae) 329

MCVEAN, A. and FIELD, L. H., Communication by substratum vibration in the New Zealand tree weta, *Hemideina femorata* (Stenopelmatidae: Orthoptera) 101

MILTON, K., Effects of bot fly (*Alouattamyia baeri*) parasitism on a free-ranging howler monkey (*Alouatta palliata*) population in Panama 39

MÍNGUEZ, E., Nestling feeding strategy of the British storm-petrel *Hydrobates pelagicus* in a Mediterranean colony 633

NEFDT, R. J. C., Reproductive seasonality in Kafue lechwe antelope 155

NICKLE, D. A. and HEYMANN, E. W., Predation on Orthoptera and other orders of insects by tamarin monkeys, *Saguinus mystax mystax* and *Saguinus fuscicollis nigrifrons* (Primates: Callitrichidae), in north-eastern Peru 799

NIXON, M. and MANGOLD, K., The early life of *Octopus vulgaris* (Cephalopoda: Octopodidae) in the plankton and at settlement: a change in lifestyle 301

PILASTRO, A., MISSIAGLIA, E. and MARIN, G., Age-related reproductive success in solitarily and communally nesting female dormice (*Glis glis*) 601

PUGH, P. J. A., The respiratory system of *Halarachne halichoeri* (Halarachnidae: Gamasida: Anactinotrichida) 285

RAFFEL, M., TRILLMICH, F. and HÖNER, A., Energy allocation in reproducing and non-reproducing guinea pig (*Cavia porcellus*) females and young under *ad libitum* conditions 437

READING, C. J. and DAVIES, J. L., Predation by grass snakes (*Natrix natrix*) at a site in southern England 73

ROMO, E., DE MIGUEL, M. P., ARENAS, M. I., FRAGO, L., FRAILE, B. and PANIAGUA, R., Histochemical and quantitative study of the cloacal glands of *Triturus marmoratus marmoratus* (Amphibia: Salamandridae) 177

ROSE, C. S., An endocrine-based model for developmental and morphogenetic diversification in metamorphic and paedomorphic urodeles 253

SCIENTIFIC MEETINGS: SHORT REPORTS 833

SEKIGUCHI, K., KLAGES, N. T. W. and BEST, P. B., The diet of strap-toothed whales (*Mesoplodon layardii*) 453

SHINE, R. and SEIGEL, R. A., A neglected life-history trait: clutch-size variance in snakes 209

STOLTE, M., BOCKHARDT, I. and ODENING, K., A comparative scanning electron microscopic study of the cyst wall in 11 *Sarcocystis* species of mammals 821

SUMMERS, R. W., UNDERHILL, L. G., HOWELLS, R. J., VICKERY, J. A. and PRŶS-JONES, R. P., Phenology of migration and use of wintering sites by the increasing population of dark-bellied brent geese *Branta bernicla bernicla* 197

SWARTZ, S. M., GROVES, M. S., KIM, H. D. and WALSH, W. R., Mechanical properties of bat wing membrane skin 357

THIRGOOD, S. J., Ecological factors influencing sexual segregation and group size in fallow deer *(Dama dama)* 783

THOMSON, D. L., DOUGLAS-HOME, H., FURNESS, R. W. and MONAGHAN, P., Breeding success and survival in the common swift *Apus apus*: a long-term study on the effects of weather 29

VIVIER, L. and VAN DER MERWE, M., Reproductive pattern in the male Angolan free-tailed bat, *Tadarida (Mops) condylura* (Microchiroptera: Molossidae) in the Eastern Transvaal, South Africa 465

WEIDINGER, K., Egg variability and hatching success in the Cape petrel *Daption capense* at Nelson Island, South Shetland Islands, Antarctica 755

WESTLIN, L. M., Behavioural manifestation of conception 12 hours after mating in an asocial African rodent, *Saccostomus campestris* 515

WORCESTER, S. E., The scaling of the size and stiffness of primary flight feathers . . 609
